ENVIRONMENT, HEALTH & SAFETY POLICY

PARAS INTERMEDIATES PVT LTD (PARAS) is committed to fulfilling its Environment, Health & Safety (EHS) responsibilities and obligations for the sake of its employees, stake holders, business partners and the community in general.

In order to meet the requirements of Environment, Health & Safety (EHS) responsibilities, we shall

- Conduct our operations in a manner to meet or surpass the applicable Environment, Health & Safety (EHS) legislations, statutory, regulatory and other standards and practices.
- Integrate EHS considerations into business decision making and business development.
- Use management techniques available to evaluate and improve on the EHS considerations in our business.
- Train our employees and make them aware of EHS requirements so as to make it a workplace practice.
- Provide required resources to implement EHS policy of the company.
- Review and update the policy in order to continuously improve the same.
- Communicate and make the policy available to all the stake holders in our business.
